hm51

A collection of beautifully crafted stools and benches, **hm51** offers flexible seating for any space, whether scattered in multiples or combined with other products from our range.

In heights to complement tables and desks, lounge and breakout spaces and a low version for schools, colleges and younger users, the range can be specified in an extensive choice of fabrics, vinyls and leathers.

Made from FSC-sourced hardwood and panel construction with multi-density foam, with adjustable feet, the collection is sturdy and robust, ideal for all contract environments. Power and data modules can be integrated and bespoke sizes are available; please contact us with your requirements.
